Submission Guidelines

Local filmmakers, photographers and multi-media artists are invited to submit their short films, slideshows and multi-media projects for consideration into this year's Filmmakers Showcase.

Running time of 10 minutes or under is encouraged. Longer work will be considered but shorter pieces have a better chance of being included in the program. Consider screening a clip of edited scenes if you have a longer project.

Please put your project's title and your name at the beginning of your piece.

We accept digital submissions. Resolution should be 1080p. Please email a Vimeo link and password, or digital file via Dropbox, or other file sharing program, to kathleen@parkcityfilmseries.com.

Video formats we accept: QuickTime Movie (.mov), MPEG-4 (.mp4, .m4v), MPEG-2 (OS X Lion or later), MPEG-1, AVCHD (OS X Mountain Lion only), AVI and DV.

Submission deadline is **Friday, October 20**.

For more information, contact kathleen@parkcityfilmseries.com.

We look forward to seeing your work!
